Authority Mission Statement and Performance Measurements

Name of Public Authority:

Wayne County Industrial Development Agency (WCIDA)

Public Authority's Mission Statement:

Our mission is to develop, promote and advance economic growth, well being and sustainable communities in Wayne County.

Date Adopted:

List of Performance Goals (If additional space is needed, please attach):

- **Meet targets set forth in Wayne County's Economic Development Strategic Plan.**

The purpose of the Wayne County Economic Development Strategic Plan is to provide a prioritized direction, in conjunction with input from businesses, citizens, and government, for the economic growth of Wayne County, utilizing a strategy and rationale for prioritization that businesses, government and citizens can understand and embrace.

- Support existing businesses through continuous outreach, inter-governmental partnerships, financial assistance, and initiatives to lower the cost of doing business in Wayne County and the State of New York

- Promote growth in targeted industry “clusters” by addressing individual needs of Agriculture, Manufacturing, Service, Optics, Equipment Manufacturing, Transportation/Distribution, Equipment Manufacturing, etc.
- Assess and invest in Infrastructure to meet the needs of industry when feasible and necessary.
- Expand workforce capabilities through strong partnerships with area educational, governmental, and business leaders to promote the advancement of the County’s skill-level.
- Promote Entrepreneurship through financial and technical assistance.
- Build effective partnerships with State, regional and local entities as well as other counties and private organizations to retain businesses and to promote economic development in Wayne County.
- Improve Communities through downtown revitalization and with a focus on community advancement.

Additional questions:
