(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to (i) acquire a leasehold interest in the Land, Improvements and the Equipment constituting the Facility, (ii) lease the Agency’s interest in the Land, Improvements and Equipment constituting the Facility to the Owner pursuant to a lease agreement to be negotiated, and (iii) enter into a Straight Lease Transaction; and

(C) Subject to the terms and conditions set forth within Section 4, hereof, the Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to undertake the Project, thereby increasing employment opportunities in the Town of Ontario, and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a facility or plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other facility or plant to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

Section 2. The proposed financial assistance being contemplated by the Agency includes (i) an exemption from all state and local sales and use taxes with respect to the qualifying personal property included within the Project or used in the acquisition, construction or equipping of the Project, and (ii) a partial real property tax abatement through a payment-in-lieu-of-tax agreement (the "PILOT Agreement"), pursuant to which the Company would make payments in lieu of real property taxes to the Affected Tax Jurisdictions.

Section 4. The Agency hereby authorizes the solicitation for designation of itself as lead agency for purposes of reviewing the Project pursuant to SEQRA, including the distribution of the EAF to all interested and involved agencies.

Section 5. The Chairman, Vice Chairman, the Executive Director and/or the Chief Executive Officer of the Agency are hereby authorized and directed to negotiate, but not execute, certain lease agreements, the PILOT Agreement, and related documents to undertake the Straight Lease Transaction. charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.
